Environment Agency

Greatham North East Drop-in Event

Visitor Centre, RSPB Saltholme Nature Reserve, Seaton Carew Rd, TS2 1TU

Monday 28th October – Saturday 2st November 2024

Come and join the Environment Agency at our drop-in event to find out more about work being done to restore parts of the Tees Estuary as part of our Tees Tidelands programme.

Taking place at Saltholme Nature Reserve (TS2 1TU), the event will provide an opportunity for you to view proposals for the Greatham North East and Greatham Marsh projects, as well as works on the wider programme.

Members of our Environment Agency team will be at the stand between **10:00 and 15:00, Monday to Saturday, to discuss the work and answer questions**. We look forward to meeting you!

Restore
Restore the natural habitat and increase biodiversity through a sustainable approach

Reconnect
Reconnect people back to the estuary, learning to live with it, love it and be resilient to it

Realign
Realign the estuary through a ‘keyhole surgery’ approach
